well i thought about the army
 dad said, son you're fucking high
 and i thought, yeah there's a first for everything
 so i took my old man's advice
 three sad semesters
 it was only fifteen grand spent in bed
 i thought about the army
 i dropped out and joined a band instead

grew a moustache and a mullet
 got a job at chic-fil-a
 citing artistic differences
 the band broke up in may
 and in june reformed without me
 and they'd got a different name
 i nuked another grandma's apple pie
 and hung my head in shame

i've been thinking a lot today
 i've been thinking a lot today
 oh, i think i'll write a screenplay
 oh, i think i'll take it to LA
 oh, i think i'll get it done yesterday
 in this time of introspection
 on the eve of my election
 i say to my reflection
 god, please spare me more rejection
 'cause my peers, they criticize me
 and my ex-wives all despise me
 try to put it all behind me
 but my redneck past is nipping at my heels
 i've been thinking a lot today
 i've been thinking a lot today
 i've been thinking a lot today
